***Early enrollment discount.** For returning students, tuition reflects a $1,000 early enrollment discount that expires on December 15th. Between December 15th and January 26th, returning students are eligible for a $500 early enrollment discount. For students new to BCHA High School, the discount expires on February 26th.

****Tzedakah Fund.** The Tzedakah Fund is an essential pillar of our school's mission. It directly funds our scholarship program, ensuring that every qualified child can receive a rich Jewish education regardless of financial background. Structuring our fee schedule in this way offers two key benefits:

- **Tax Savings for families:** Because contributions to the Tzedakah Fund are tax-deductible to the extent allowed by law, shifting a portion of the cost into this fund provides meaningful tax relief for parents.
- **Sustainable Community Support:** Standardizing this pledge helps build a strong, predictable foundation for our financial aid program, reinforcing our shared commitment to community chesed and educational access.

Billing and payment. Tuition is billed annually. It may be paid by check in one payment by July, or, if you qualify, in part online through Blackbaud Tuition Management, our third-party servicer, in either 2 semi-annual payments or 10 equal monthly payments.

Tuition Refund Insurance. You must pay the full annual tuition for your child(ren), regardless of any reason for withdrawal of the student(s). In order to assist in the payment of any balance due to BCHA at the time of such withdrawal, BCHA participates in an insured tuition refund plan (TRP). The TRP refunds to BCHA a portion of the annual tuition due or fees forfeited for any period of the school year subsequent to the date of withdrawal. Tuition Refund Insurance costs 1.35% of the tuition billed and is mandatory, except for families who pay the entire bill before the start of the school year. Please refer to your enrollment contract for more details.
